

This is your Lucky Day:

How would you like to receive the kind of money that most people only dream of having? If you answered yes then we would like to invite you to join a very special group of people.

We are from all walks of life and age groups. We are down to earth and family oriented. We have made our way through life in our own respective fashions. But one thing above all others unites us . . . We are committed to do whatever it takes . . . As long as it is legal and moral . . . To make enormous incomes together in the years ahead.

We can all make money but you will not get rich overnight. If you are looking for something that will make you rich quick then this is not for you. However, by keeping it among Members, we can all profit handsomely in the coming months using our confidential strategies.

We will show you how we use our program and how it can put you into whatever income bracket you want to be in. We anticipate that you will surpass the \$50,000 bracket within the first year utilizing our strategies. But there is no limit on your earnings, it could be much more.

No matter who you are or where you may be in life, you owe it to yourself to look at something new . . . something different. In these uncertain times of cut backs and jobs leaving the country it is nice to know that something will be there to secure your financial future and for those you love.

There is a \$10.00 fee to become a Member but do not send the \$10.00 now. All you need to do is send \$2.00 to cover printing and postage. We will send you detailed information on how our exclusive Club works.

We will show you how easy and powerful this program really is. It will not interfere with your current job and you can do it at your own leisure. The money you can make is unbelievable and before soon you may not need a job at all.

If you like what you see then we will deduct the \$2.00 from the \$10.00 Membership fee and it will only be \$8.00. If you do not like what you see then send back the material and we will immediately return your \$2.00 with no questions asked. We truly believe that you will like what you see.

Nobody will call you. You will have to decide if you want to be a part of this on your own after you read the details. This is a Private Club with the privacy of its Members protected.
